OBJECTIVE

Motivated Computer Applications student with strong foundations in **Python, UI/UX design, and automation**. Passionate about applying skills in **software engineering, data handling, and user-centric design** to contribute effectively to the company and support impactful projects.

EDUCATION

Bachelor of Computer Applications	Gnanambica Degree College	2022–2025
	Percentage: 78%	
PUC (12th Std)	Krishna Reddy Junior College	2020–2022
	Percentage: 62%	
SSC (10th Std)	Gnanodaya EM High School	2019–2020
	CGPA: 10	

TECHNICAL SKILLS

Programming	**Python**, HTML, CSS, JavaScript
Software Engineering	GUI development, **automation**, database integration, EXE packaging
UI/UX Design	Figma, responsive interfaces, user experience principles
Data Handling	Excel automation, database storage/retrieval, algorithmic validation
Tools	Github, VS Code, notepad++, Sql Developer , Figma Designer, Pyqt6 Designer, IQMS(ERP)

RELEVANT EXPERIENCE

Student Intern – Rossell Techsys Pvt. Ltd.
Jan 2025 – Jun 2025

- Built and deployed a **Python-based multi-user interface** that supported **200+ concurrent users** and improved workflow efficiency by **30%**.

- Automated **logistics workflows** using Python, reducing manual effort and improving data accuracy.

- Packaged Python applications into **executables**.

- Strengthened backend development with focus on **performance, security, and user experience**.

PROJECTS

- **Excel Data Manager (Python)** – GUI tool to fetch, verify, and store Excel sheets in a database with automated calculations.

- **Portfolio Website** – Responsive personal website using HTML and CSS with cross-browser compatibility.

- **Login/Signup UI (Figma)** – Modern authentication screens with responsive design principles.

CERTIFICATIONS

- **UI/UX Kickstart Workshop** – Growth School

- **Codeathon Competition** – Certificate of Participation

- **MySQL Workshop** – WsCube Tech

- **Python Using AI** – AI for Techies

- **Deloitte Australia's Data Analytics** – Forage

EXTRACURRICULAR

- Presented on **OECD Cyber Law** topics in academic seminar.

- Organized and anchored **cultural and professional events** at college.

- Served as **Design Coordinator** for college **Freshers' Day**, managing event branding and visual presentation.

- Member of the **Discipline Committee** during Freshers' Day Fest, ensuring smooth conduct and student engagement.

- Created and published **vlogs on YouTube** via channel **Sidflix**, showcasing tech and creative interests.
